

Welch Allyn
KleenSpec® Disposable Vaginal Specula
and Cordless Illumination System

An advancement in women's health
technology that's nothing short of brilliant

Welch Allyn KleenSpec® Disposable Vaginal Speculum and Cordless Illumination System—

now in every size

for every type of patient.

590 Series KleenSpec Disposable Vaginal Speculum

Enhance Patient Comfort

- The new extra small speculum allows you to perform a comfortable exam with virginal/pediatric patients as well as post-menopausal and post-hysterectomy women—no more referrals or uncomfortable exams using metal specula or the wrong size
- Smooth, molded acrylic designed to prevent pinching or binding of tissue for greater patient comfort

Help Reduce Cross-Contamination

- Single-use speculum helps to reduce cross-contamination for improved patient safety while eliminating the time and expense of reprocessing metal specs

Improve Staff Productivity

- Features a wider handle design for improved maneuverability and better balance during exams
- A strong grip and a yoke that's more flexible than low-cost substitutes

Look for the distinctive Welch Allyn blue, green, white and yellow colored handles

“This light is brighter than any I have ever seen and shows true tissue color. I would recommend this system to any clinicians looking to improve the quality of their care.”

Shelley Kolton, MD / Downtown Women OB/Gyn Associates / New York City, NY

KleenSpec Cordless Illumination System

- LED technology offers a whiter, brighter light and true tissue color during an exam
- No bulb replacement necessary for a reduced cost of ownership
- Features a cordless design so you'll never have to worry about cords getting in your way, breaking or needing to be cleaned, speeding the exam and giving you a full range of motion
- Fits every size speculum
- Uniform spot—no dark or hot spots—for enhanced visualization of the exam area
- Produces much less heat than traditional lamps and has a continuous on time of 80 minutes
- A lithium ion battery provides a recharge time of five hours

A site that conducts 75 exams per week can **save more than \$8,000 per year** by switching from metal to disposable specula*

*Based on estimated costs of specula, training, and salary. Estimated cost of metal vaginal specula from <http://gynexcorporation.com/stainlesssteel-2.aspx>. Salary amounts based on data from <http://www.bls.gov/oes/2011/may/oes291111.htm>
