Single-patient usage **reduces the risk of infections spreading**

Solo products are made from **non-woven and cotton-polyester materials**

Solo Disposable Products

Solo HighBack Sling™ is ideal for most lifting situations. It can be used for lifting patients between a bed and wheelchair, or to/from the toilet.

Solo Reposheet™ is used to reposition patients who have moved down in bed, or to turn bed-ridden patients in order to wash them and to help prevent pressure ulcers.

Solo Octo LiftSheet™ is intended for horizontal lifting in conjunction with OctoStretch™. Ideal for use in surgical and intensive care departments.

Solo LiftSheet 1800™ is intended for horizontal lifting in conjunction with the LikoStretch Model 600 IC™.

Solo LiftSheet 1900™ is intended for horizontal lifting in conjunction with LikoStretch 1900™. It is ideal for use in surgical wards, allowing for a flat, underlying surface.

Solo MultiStraps™ are used to facilitate examination, care and treatment. They can also be used to turn a patient in bed, or for support when the patient is turned to the side.

Solo SupportVest™ is used in conjunction with the Liko Sabina™ sit-to-stand lift, to raise a patient from a sitting to standing position.

Solo Cover for Ultra LiftPants™ is a disposable accessory for use with Liko Ultra LiftPants. The cover is placed over the top of the LiftPants, protecting them from becoming soiled.

Hill-Rom is a leading global medical technology company with approximately 10,000 employees worldwide. We partner with health care providers in more than 100 countries by focusing on patient care solutions that improve clinical and economic outcomes in five core areas: **Advancing Mobility, Wound Care and Prevention, Patient Monitoring and Diagnostics, Surgical Safety and Efficiency, and Respiratory Health.** Around the world the people, programs, and products of Hill-Rom work towards one mission: [Enhancing outcomes for patients and their caregivers.](#)

Not all products/options are available in all countries. For further information about our products and services, please contact your local Hill-Rom representative or visit our webpage:

www.hill-rom.com

Solo disposable products are accessories to be used in situations where individual slings for short term use is needed; for example where there is a risk for cross infection between patients.

Class I
