EQUIPMENT PRODUCT GUIDE

EAGLE FIXED AND
MOBILE SHELVING

EAGLE STORAGE SOLUTIONS

Eagle provides a vast range of storage solutions designed around maximising space, improving ergonomics, processes and work flows. In healthcare environments today, storage space is often at a premium. It is not uncommon to out grow storage areas due to increased clinical workload. Eagle's shelving can provide solutions for any new rebuild, taking into consideration the needs of today, while allowing the flexibility for change and growth in the future.

Our solutions can be tailored for any clinical area including:

- Theatre
- Sterile supply services
- Wards
- Linen departments

Solutions include:

High density storage solutions

- Floor track solutions: running on bearings and only protruding 1 cm from the floor, this new product from Eagle offers many benefits

These include:

- No fixed ends increasing the number of available pick faces
- The ability to store up to 900kg on one mobile unit
- Provides optimal storage when there is minimal space available
- Ergonomically friendly and easy to manoeuvre mobile units
- Overhead track storage solutions: offering similar benefits to the floor track system, the overhead solution has fixed ends with mobile units that run on castors. Each mobile unit can store up to 450kg

Shelving

Available in a wide range of sizes and finishes, USL will be able to provide a suitable product for any clinical area or requirement. Finishes include stainless steel, zinc, chrome and expozay finishes.
